alkteefa@unhcr.org

Summary

CCCM Cluster members participated in reporting this month: Ataa, MC, MF, MWL, MHD, POINT, WH, ACTED, ARD, Beyaz Eller and BINAA.

- **Fire Awareness Campaigns**: Awareness sessions on fire mitigation/prevention.

- **Camp Management**: Regular needs and gaps identification.

- **Community Mobilization/Self-resilience Promotion**: Awareness sessions to IDPs by NGOs/Committees on different subjects and discussing exit strategy.

- **Fire Mitigation/Prevention**: Fire Extinguishing.

- **Site Assessments and Risk Mitigation**: Incident reporting.

- Coordinate the delivery of services and monitor the referral mechanisms of agencies engaged in relief efforts, including INGO, NGO and other UN agencies.

- Implement tailored livelihood activities designed to enable HHs to restore their assets and build resilience for better solutions: CASH for Resilience to encourage HHs after 3 months to leave the reception center and to restore their assets and build resilience for better solutions.
