Updates

Agenda Item 1: Review of Previous Action Items

Agenda Item 2: Site Management Assessment Tool Presentation

- The online [Site Assessment Tool](#) was showcased to members to collect their final input before its impending implementation.
- The final version of the Site Assessment Tool, enriched with feedback from the coordination meeting, will be disseminated to sector members prior to the upcoming meeting.

Agenda Item 3: Northern State IDP Overview Presentation

- The Northern State IDP Overview, including site mapping progress, key figures, humanitarian responses, and recommendations, was presented.
- It was agreed that the presentation would be shared with sector members before the next meeting.

Agenda Item 4. Update from Partners

- NRC, the recently elected Co-Chair organization, was introduced to the members and is set to assume its role promptly.

Agenda Item 5: HNO/ HRP Process Update

- A consensus was reached to organize a dedicated meeting to disseminate updates on the progression of the 2024 HNO/HRP.

Agenda Item 6: AOB

- A request was issued for partners to assist in mapping IDP gathering sites in the three remaining localities (Al Manaqil, Al Qurash, and Janub Aj Jazirah) within Al-Jazira state.
- The upcoming meeting's agenda was agreed upon to encompass updates on school reopenings and the relocation of IDPs.

Next meeting: **Tuesday 24th October 2023 at 1:00PM (Sudan Time).**
