# 2025 Q1 (January - March) Displacement Update - Syria

## 2025 Q1 (January - March) Displacement Update - Syria

This report covers northwest Syria region for the period from January to March 2025. Data was collected from 937 accessible community level) within Aleppo, Hama, and Idleb across North West Syria in April 2025 through 1,872 Kls. In the first guarter of 2025 over 6,700 people were displaced in Idleb and Aleppo, particularly from Dana, Afrin, Maaret Tamsrin, and Sharan due to loss of income, loss of assets, inadequate access to shelter housing inadequate access o work or livelihoods. Majority of the affected population arrived to Sarmin, Atareb, and Dana sub-districts.

#### Disclaimer:

- 1.Displacements in north-west Syria (NWS) is highly fluid; IDP figures are rapidly changing due to dynamic environment and movements between sites and communities. CCCM will continue updating figures quarterly.
- 2.Returnees: refer to internal IDP movements from displacement location to their homes or habitual residences in Syria.
